

WELLES PARK PARENTS ASSOCIATION

SOFTBALL DIVISION EQUIPMENT LISTS

8U

- Protective helmet with facemask
- Metal bats that say "official softball" and include "ASA" or "USSSA" softball logo; no oversized barrels (over 2.25" in diameter) are permitted
- Cleats are recommended but not required; players may only wear cleats with plastic or rubber cleats; no metal cleats allowed
- Sliding pants are optional but recommended
- Pitchers and first base players must wear a fielder's mask while in the field. Strongly suggested for players at 3rd base; optional for players at other positions. Two fielder's masks will be provided by the league; players are also allowed to use their own.

10U

- Protective helmet with facemask
- Metal bats that say "official softball" and include "ASA" or "USSSA" softball logo; no oversized barrels (over 2.25" in diameter) are permitted
- Cleats are recommended but not required; players may only wear cleats with plastic or rubber cleats; no metal cleats allowed
- Sliding pants are optional but recommended
- Pitchers must wear a fielder's mask while pitching. Strongly suggested for players at 1st and 3rd base; optional for players at other positions. Two fielder's masks will be provided by the league; players are also allowed to use their own.

12U
